Hobbies & Homestead Vintage & Craft Market
(479) 265-7006

As the goal of **Hobbies & Homestead Vintage & Craft Market** is to provide high quality crafts, collectibles, and antiques that our customers will cherish and enjoy, we have developed the following list of questions to provide us with information about the type of merchandise that a prospective dealer has to offer. In addition, it provides **H&H** management a means of communicating our expectations of the dealers. We want you to SELL and we want our customers to be delighted with what **H&H** has to offer and be happy with their selections. This requires work both on the part of the dealer to maintain quality merchandise in a clean and well-designed booth, and the **H&H** to provide courteous and helpful customer service.
